Company Profile

Your Trusted Global Logistic Solution

About Us

Established in 2016, PT. Mitra Laju Interocean is a premier Indonesian logistics provider founded on deep expertise from the demanding food and seafood industries. This background has forged our specialization in handling complex, time-sensitive shipments, making us a **leader in Reefer (temperature-controlled) logistics**.

Today, we apply this precision and reliability to serve a wide range of industries across Indonesia and the globe. We manage a robust domestic network with a strong operational presence in key commercial hubs including North Sumatera, Jakarta, Batam, Pontianak, Surabaya, Kalimantan, and Singkawang, connecting businesses across the archipelago.

Our Core Specialization: Excellence in Reefer Logistics

While we handle all types of cargo, our true expertise lies in managing the complexities of temperature-controlled supply chains. We understand the critical importance of maintaining the cold chain for high-value, perishable goods. Our specialized reefer services are trusted by clients in the Seafood, Food, Vegetables & Beverage, and other sensitive commodity sectors to ensure product integrity from origin to destination.
